Levy of fees on Sugar Cane mills at Nelamangala mlty

Continuation Sheet | File No / Current No | of 1172 / Int | Page

From the D C Bangalore District
No M6-918/47-C8 dated 25-8-47
Recommends the above

1 The Nelamangala town municipal council, to augment its resources, have at their meeting held on 17-6-1947, resolved to take necessary steps to levy a tax of Rs 2/- per annum on each sugar cane crushers that will be hired out for the purpose

2 A notification was published by the mlty on 18-6-47, calling for objections, if any, within 18-7-47, for the proposed levy

3 Four objections petitions were received objecting that the tax may not be levied, as the sugar cane crushers were for the benefit of the Ryots

4 But the mt council, have at their meeting held on 21-7-47, resolved that the objections are untenable for the reason that the owners of these sugar cane crushers are not themselves agriculturists but have the crushers to the agriculturists on daily hires and therefore the levy of the tax is proper

5 The President of the mt council, states that the levy of the tax, would realise nearly Rs 400/- per annum and requests sanction for the proposed levy

6 The D C Bore does not recommend sanction to the proposal of the mt council for the reason that the levy is only Rs 2/- per annum and will not be a burden on the mill owners

States that the tax on Bargur cane crushers
proposed to be levied under Secs 62 and
72 of the Town municipalities Act

1172/mel U 2092/mel

The circumstances which has necessitated the Municipal Council to thoroughly considers the levy of this tax are explained in the Secs letter Dt 25.8.04

Under Sec 62 of the Minor Municipalities Act the Municipal Council may levy any tax or fee other than those enumerated in Sec 61 with the approval of Govt and subject to such Rules as may be prescribed in this behalf which may be considered and suitable to the inhabitants of the Municipality

The proposal of the Nellaicappla minor Municipal Council to levy a tax of Rs 2/- per annum on each Sugar Cane Crusher ie for crushing there tax is expected to yield an income of Rs 4000/ per year to the Municipality

Mr 6/11/04 Pr 9.11.04

This is a novel proposal A tax on sugar cane crushers are not levied in any municipality in the State There are two protests against the proposed levy from the parties concerned (vide petitions enclosed along with the records)

The levy cannot be brought under the provisions of section 62 of the Main Utilities Act as the purpose may therefore be vetoed

21/11/47

In view of the very strong objection from the public to the proposed levy, it does not appear desirable to accord sanction to it. The proposal may therefore be vetoed

Sir,

Sub: Levy of fees on Sugarcane mills at Nelamangala Municipality- recommends the -

I have the honour to state that the Municipal council, Nelamangala have at their meeting held on 17-6-47 resolved that an annual fees of Rs.2 may be levied on each of the sugarcane mills that is owned by individuals in the Municipal jurisdiction A notification was issued calling for objections if any, for such levy 4 objection petitions were received within the stipulated period of one month In their objection petitions, the petitioners have stated that the mills are being used only for agricultural purposes and as such the proposed fees should not be levied as no other municipality has levied such a fees any where in the State The Municipal council have at their meeting held on 2-3-47 resolved that the objections are untenable and that the Government be moved to sanction the levy of fees as previously proposed by the council

In this connection it has to be stated that the owners of these sugarcane crushers are not themselves agriculturists but hire the crushers to the agriculturists on daily hire More-over, they do not pay any kind of shop tax on the places where they keep the mills for hire The Municipality expects an annual income of Rs 400 by the levy of the annual fees of Rs 2 on each of the Sugarcane crushers

The municipality is at present maintaining a municipal High School and also have taken up the water supply scheme and drainage scheme With the present limited resources the municipality will not be in a position to undertake and maintain the above schemes

In the circumstances I request that sanction of Government may kindly be obtained for the levy of an annual fees of Rs.2 on each of the sugarcane mills in Nelamangala municipality as has been resolved by the municipal council This levy which is only Rs 2 per annum will not be a burden on the mill owners

The connected papers accompany for favour of reference and return
